Who am I?

Top10 awarded Polish IT Manager in 2020. During my 20y of experience, I have built and managed IT teams in Europe, Asia, and Africa. I'm an active **Senior IT Manager**, which makes me focus on working solutions and distinguishes me from a theoretician. I'm a speaker at multiple IT conferences, an IT MBA Lecturer at university, and founded **IT Managers Academy** because I want Poland to have the world's best managers.
